

REQUEST FOR PROPOSAL:

REPAINTING THE WOOD EXTERIOR OF THE KNOWLTON TOWNSHIP MUNICIPAL BUILDING

PROJECT: The Township of Knowlton is seeking quotes from qualified contractors to repaint the wooden portions of the exterior of the Knowlton Municipal Building.

LOCATION: 628 Route 94, Columbia, NJ, 07832.

REQUIREMENTS:

- The existing paint is lead-based. Per the New Jersey's 2008 Lead Renovation, Repair & Repainting Rule, the contractor performing repairs must be EPA or State certified to perform lead paint renovation or repainting.
- Contractors must provide proof of a valid NJ business registration certificate.

SCOPE OF WORK: Remove peeling then repaint all wood on the building's exterior including the cupola, under the drains, around the front door, posts on the back porch, and any other exposed wood. Wood that is rotten or that has deteriorated beyond repair should be replaced before repainting.

Interested parties should submit a quote, contact information, and proof of NJ business registration in a sealed envelope to:

Knowlton Township Acting Clerk Kristin Shipps
628 Route 94, Columbia, NJ 07832
Attention: Repainting Municipal Building

All entries will be opened at the Knowlton Township Committee meeting on August 6, 2018.
